**Subject:** Special Account Code for Falcon Refinery  
**Date:** Monday, February 03, 2014 9:12:00 AM

---

Patti

Can you please send me the correct code to share with the Falcon Refinery Team. The special accounts (TR2 and TR2B) for the site are very low and I need to conserve/use the remaining funds for travel to the site and fund the ongoing RI report. I may also need for Team members to go back and amend their People Plus from (TR2 and TR2B) to T.

Thanks
